

## Best Practices for Faculty Recognition

### Discuss Awards

- Include in annual review
- Nominate your colleagues for awards
- Identify aspirational peers
- Build a career pipeline
- Serve on awards committees and share experience

### Identify Opportunities

- Department, College, University
- Early, mid, senior level
- Research, teaching, mentorship
- Alumni awards
- Societies/professional associations
- Calendar

### Strategize Letter Writers

- Previous recipient/current member
- Have each focus on one aspect to provide full profile
- Offer them a starting point

### Get Involved in Professional Organizations

- Committees
- Conferences
- Service

### Maintain Memberships

- Professional associations and societies often require continuous, active membership to be eligible for awards, both as a nominee and nominator

### Be Persistent

- Sometimes it takes more than one nomination
- Celebrate your wins!
