Mentors, Coaches and Sponsors for Faculty Success

## Your Personal Board of Directors

Who is in your group of mentors (for advice and knowledge), coaches (for guidance), sponsors (for action and advocacy), and advisors (for short-term advice on specific tasks or challenges)?

A diagram of a personal board of directors. It consists of a central gold-colored cross shape on a red background. Six white rectangular boxes with rounded corners are arranged around the cross, three on each side, for writing names. The boxes are arranged in a 2x3 grid on each side of the central cross.
