

**UNIVERSITY FACULTY SCHOLARS PROGRAM
Poole College Nomination Process**

This university program recognizes and rewards emerging academic leaders among our tenured and tenure-track faculty. Approximately 20 candidates from throughout the university will be selected and named as a University Faculty Scholar. Award recipients receive a 5% permanent increase to their base salary and retain the title of University Faculty Scholar for the duration of their appointment at NC State.

Poole College will submit two candidates for the fall 2018 award period. A Poole College University Faculty Scholars selection committee will be appointed by the dean to review the applications and recommend two candidates for the college to forward to the Provost's Office for consideration. The selection committee will consist of four faculty members, one from each department.
