HOW CAN WE HELP?

Our goal is to help faculty thrive professionally and personally. One important way to do so is by identifying awards that allow faculty to grow as scholars and teachers. No matter where you are in your career, we are here to help you navigate the awards process. Below is a snapshot of our services.

Strategize

We help faculty, department chairs and deans strategically identify awards that best fit individual and departmental strengths.

Analyze

We offer insight into awards by tracking and analyzing past awardees' paths to success, including: career stage, research profile and pre-cursor awards.

Writing Support

We can assist with all stages of the writing process, including:

- pre-writing
- drafting
- editing
- document design

Management

We help manage the application process by:

- reviewing guidelines
- coordinating nominations and recommendations
- tracking submissions

Liaison

We serve as a liaison between faculty and awarding bodies. If you have a question regarding eligibility or timelines, we will find an answer.

Recognition

We want to hear from award recipients so that we can celebrate faculty excellence with the NC State community.

HOW CAN AWARDS BENEFIT YOU?

Awards increase your visibility and provide wider recognition for your work

Awards offer new learning opportunities, such as: residencies, travel and cross-disciplinary collaboration

Awards provide much-needed resources, including: funding, time, and access to members-only benefits

Awards present exciting collaborative opportunities and offer faculty an expanded community of scholars
